

### The Other Winter Sport

It's mid-winter and since the snow (see the above masthead picture) has kept the golf course closed for the last three months, our members have sought out competition and socializing in a more hospitable environment most Monday afternoons at Pinz Bowling Alley in Monument followed by a "Happy Hour" at O'Malley's in Palmer Lake. Generally eighteen to twenty members participate in each outing and all Perry Park members and their guests are invited to join in.

For our new members, it has been a great opportunity to meet and mingle with those of us with longer tenure (formerly known as

"Old Timers" in the pre-politically correct era). Most of us had not picked up a bowling ball since our youth – so previous experience (or skill) is neither required nor expected. To join in the fun, excitement and glamour (...okay, the fun), call or e-mail Gary Peterson (the "Commish") at 303-730-7630 or [peter-son.gf@pg.com](mailto:peter-son.gf@pg.com). The February outing dates are the 8<sup>th</sup> and the 22<sup>nd</sup>. Play will continue thru the winter and spring. We meet at the Club parking lot at noon and carpool down to Monument. Unlike golf, "appropriate bowling attire" is not required to participate, nor do you need your own equipment.

The ladies have begun to organize their own afternoons on Wednesdays at Pinz after hearing so many fun stories from the men. The ladies had their first outing on January 27<sup>th</sup> with 12 charter participants. Expressions of interest for future participation should be directed to Trish Peterson at [tap0930@msn.com](mailto:tap0930@msn.com).
